Henrsville, January 12, 1852.

Dr. Bledsor:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicale. My son, aged 15 years, had been under medical freatment about five years for dyspepsia and diarrhen—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE. HUNTSVILLE, January 19, 1852.

HUNTSVILLE, Oct. 17, 1854

Dr. Blarson — Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

HUNRIVILLE, Sept. 29, 1851.

Dr. Blenson—Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

WM. B. LLOYD.

Gills Courty, Tenn., Dec. 23, 1851.

Dr. Blenson:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

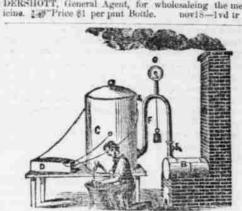

ELIZABETH J. HARWOOD.

Herraville, Ala., August 24, 1861.
This is to certify, that I had suffered for many years with Dyspensia and Diseases of the Liver. Physician after Physician and prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint ance. JOSEPH CAROTHERS,

Honrsville, Ala., March 8, 1859.

Dr. Blerson.—Sir: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspensia and enlargement of the spleen, and thought that I must say and enlargement. and thought that I never would recover , and have gained 25 or 30 pounds, and feel about as well as I ever did HENRY J. DR. FRASK'S MAGNETIC OINTMENT. MR. WINTERS had lost nearly all of his hair and had been hald for many years; by the use of three totlos of the Magnetic Ointment, had his heir entirely re-dored, and now has as beautiful a head of hair as any man build wish. His age is about 50 years.

A son of Mr. Warren of this town, 14 years of age, had been afflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever saw; he was emaciated almost to a skeleton. By the use of a few bottles of the Oint ment he was thoroughly cured, and for seven months past has enjoyed robust health. This was an extreme case of inflammation of the spleen

This was an extreme case of inflammation of the spleen, of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the lady a Mrs. Dunham, it still in good health, and able to attend to her usual household duties. I have treated two cases of Chronic Sore Eyes with the Ointment, both of the patients so nearly bined, as to need an attendant to lead them from place to place. One of them had been afflicted its years, the other about 2 years. They had tried the best physicians in the State, without benefit; and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinnati, for eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite circel; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it Outment in a number of cases of Piles, and in no case has it fixed of giving immediate relief and generally a permanent cure. I have also used it beneficially in severe cases of Erysipelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic Confinent along. Ointment alone!
From a tharough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Respectfully Yours,
